KAVALAKAT

KAVALAKAT

COMPANY PROFILE

Overview

Kavalakat Group is a leading supplier of construction materials in the state of Kerala. Established in the year 1975, we have 50 years of experience and expertise in serving the niche requirements of the construction industry in Kerala. Headquartered in Thrissur, a central district of Kerala, we are the preferred channel partners of various Indian and international brands. We have registered offices in Thrissur and branches at Palakkad, Ernakulam, Idukki, Trivandrum Districts in Kerala and Coimbatore in Tamilnadu. Our present portfolio includes Steel, Cement, Structurals, Paints, White Cement and putty, Construction Chemicals, Power tools and Abrasives.

Our Story

Kavalakat is a partnership firm constituted by the members of the renowned “Kavalakat” family belonging to Kandassankadavu in Thrissur district of Kerala. We are in the business field for the past four generations. Mr K S Joseph was the founder of our group and started his entrepreneurial journey by setting up rice and oil mill in 1936. His son, Mr K J Francis took over the business and started trading of Cement in Kandassankadavu. He served in the capacity of chairman till 31st March 2010 and handed over the baton to his son Mr K F Jose, who is presently at the helm of our group. In the year 2018, his son Mr Francis Jose also joined the family business.

Vision

We aspire to be the most preferred service provider of construction industry in India.

Mission

To achieve customer satisfaction through quality products, on-time delivery and competitive pricing.
